中国国际全印展自2003年创办以来已成功举办了八届。多年来，全印展见证了中国印刷业不断对外开放、不断改革创新、不断发展壮大的伟大历史进程。站在“两个一百年”奋斗目标历史交汇关键节点上，放眼文化强国、印刷强国建设目标，着力构建印刷业发展新格局，是我们办好第九届全印展的重要基础。第九届全印展将继续立足于引领国际科技和业态创新方向，致力于产业链协同融合，继续推动印刷产业新旧动能转换、科技自主创新、质量效率动力变革，为加快构建“优质产能供给、技术先进安全、绿色融合开放”的印刷产业体系发挥出应有的作用。

All in Print China has seen 8 successful sessions since its establishment in 2003. In recent years, All in Print has embarked on the historical journey of ongoing reform and opening up and innovation drive of the printing industry in China. Standing at the converging point of the "two centenaries" goals and based on the strategic goal of turning China into the leading nation in culture and printing, the important foundation for us to successfully host the 9th All in Print is to build a new pattern for the development of the printing industry. The 9th All in Print will continue to uphold the principle of "leading international innovation in science and technology and forms of business" and be committed to the synergy and integration of the industrial chain, with an aim to accelerate the conversion of new and old kinetic energy, independent technological innovation, and reform on quality and efficiency in the printing industry to make due contribution to a bright future of the printing industry featured with "high-quality production capacity supply, advanced technology and safety, green integration and openness".

历经18载，举办8届，中国国际全印展已经成为全球印刷包装行业最专业的创新技术与产品展示、贸易平台，从推动“开启印刷智能时代”，到见证中国数字喷墨、智能印后、绿色材料等技术的蓬勃发展，中国国际全印展始终秉承初心、推动技术进步、引领行业发展。

即将举办的第九届全印展，将继续聚焦技术变革，发挥启发创新思维、孕育发展新动能的平台作用，让世界印刷活力在东方绽放，将中国印刷成果共享到全球，发出中国声音，贡献中国力量。

全印展还将继续提升人性化、高标准的服务，深化线上、线下协同展览模式，加强全媒体营销宣传，更好地推动中国印刷产业发展、服务国际交流合作。

欢迎加入2022中国国际全印展，10月相约上海！

With 8 successful sessions in the past 18 years, All in Print China has been focusing on the frontier technologies of the world printing industry, creating an exhibition platform for the global printing enterprises to promote transaction between suppliers and buyers. From promoting the "opening of the era of intelligent printing" to witnessing the vigorous development of digital inkjet, smart printing and green materials in China, All in Print China has always stayed true to its original aspiration while continuing marching forward to promote technological progress and led the development of the industry.

The upcoming 9<sup>th</sup> All in Print will continue to focus on technological innovation, and attach great importance to its role as a platform that inspires innovative thinking and nurtures new development momentum, with an aim to create new glories of the oriental civilization in the world's printing industry by sharing the Chinese printing achievements to the world and making China's voice heard.

All in Print China will continue to improve high-standard people-oriented services, deepen the online and offline collaborative exhibition model, and strengthen all-media marketing and promotion, so as to accelerate the development of China's printing industry and international exchanges and cooperation.

Welcome to join the All in Print China 2022, and see you in Shanghai in October!

19年沐风栉雨，19年春华秋实，中国国际全印展已成长为印刷行业全面展示国际国内印刷新技术、加强世界各地印刷业同仁交流对话的重要平台。

当前，我国已进入高质量发展阶段，新一轮科技革命和产业变革正在促进新发展格局的构建。中国印刷业历经40多年的发展，产业链供应链现代化水平正在不断提升、印刷新业态新模式正在不断涌现。2022第9届中国国际全印展将携手全球印刷包装行业卓越的设备及器材生产企业，提升精准服务能力，创新展会服务模式，推动中国印刷业供给侧改革与高质量发展，搭建更大范围、更宽领域、更深层次的国际化贸易服务平台。

2022，期待与您相聚在上海！

Thanks to 19 years of diligent work and unremitting efforts, All in Print China has developed into an important platform for the printing industry to comprehensively display new printing technologies both at home and abroad and to strengthen exchanges and dialogues between printing peers around the world.

In China's pursuit of high-quality development, a new round of scientific and technological revolution and industrial transformation are accelerating the emerging pattern of balanced development. After 4 decades of development, the modernization level of the industrial chain and supply chain of the printing industry in China is continuously improving, enabling new printing models and in turn new business models. The 9<sup>th</sup> All in Print China 2022 will work together with outstanding equipment and equipment manufacturers in the global printing and packaging industry to enhance precision service capabilities and innovate in exhibition service models. This will in turn accelerate the supply-side reform and high-quality development of the printing industry in China, and help to build a broader in-depth international trade service platform.

We are looking forward to seeing you in Shanghai in 2022!

在全球疫情的巨大影响下，很高兴地看到中国国际全印展给整个行业按下了如此重要的重启键。展会启用全新主题“新技术、新动能、新格局”，重塑亚洲印刷行业的未来，现已成为中国、乃至亚洲印刷业最具影响力的展会之一。

“第九届中国国际全印展”将于2022年10月11-15日在上海新国际博览中心举办。即将到来的2022年中国国际全印展将呈现8大主题展馆——覆盖更全行业领域，4大特色专区——聚焦行业热点话题，4大特色功能——提升企业参展收益。预计将有超过1,300家企业参展，展览面积超过120,000平米，展示行业内各个领域的最新产品和技术。

我衷心地感谢业内同仁对全印展一如既往地关注和支持！我坚信2022年的全印展一定能再创辉煌！

We are very pleased that All in Print China will enable the industry to make such an important re-start of the business after the impact of the worldwide pandemic. Under the new theme of "New Technology, New Driver, New Pattern", the exhibition will shape the future of the printing industry and has become one of the most influential exhibitions in China as well as Asia.

The 9<sup>th</sup> All in Print China will be grandly held on October 11-15, 2022 at Shanghai New International Expo Centre. The upcoming show will not only launch 8 brand new thematic pavilions which cover the whole industry, but will also present 4 highlight zones, focusing on the industry talent topics. Over 1,300 companies, occupying about 120,000 square meters of exhibiting area are expected to display the latest products and technologies in all aspects of the printing industry.

I hereby express our sincere gratitude to all the consistent supporters to All in Print China. I believe that All in Print China 2022 will surely make unprecedented achievements!

# 4大特色专区 聚焦行业热点

## 4 Special Zones Focusing on Industry Hotspots

### 印刷梦工厂：

专区立意“拓边界、开眼界”，从产业的边界向外看，向关联的上下游领域看，从智能制造、绿色环保材料、数字信息技术、创意设计等角度，帮助印刷企业了解新技术、新应用、新理念。

### Innovation Factory:

The special area is intended to "expand the boundaries and open the horizons", looking outward from the boundaries of the industry to the related upstream and downstream fields, helping printing enterprises understand new technologies, new applications and new ideas from the perspectives of intelligent manufacturing, green materials, digital information technology, creative design, etc.

### 纸张及特殊材料专区：

全新升级，为印刷包装企业和承印材料、包装材料生产商搭建贸易对接平台，云集国内外知名品牌，满足观众一站式采购需求。

### Paper and Special Materials Zone:

AIP 2022 upgrades completely for building a business matchmaking platform for printing and packaging enterprises, substrates and packaging material manufacturers, gathering famous brands from home and abroad to meet the one-stop purchasing needs of visitors.

### 油墨及创新材料专区：

专区邀请国内外众多专注于油墨及创新材料的企业参展，集中展示各类创新，环保的油墨、纸张、版材等印刷包装耗材。为观众提供高效、精准的一站式商贸平台，同时帮助参展企业开拓市场，直面订单。

### Ink and Innovative Materials Zone:

This Zone will bring together a number of domestic and international enterprises specializing in inks and innovative materials to showcase innovative eco-friendly ink, paper, board and other printing and packaging consumables. It aims to provide visitors with an efficient one-stop business platform, while helping exhibitors to open up the market.

### 印刷包装产教融合专区：

印刷包装产教融合专区，将印刷包装行业和教育密切结合，为企业和学校提供深入的产教融合平台，通过现代人才培养模式，培育更多高质量印刷职业人才。

### Printing and Packaging Industry-Education Cooperation Zone:

This Zone brings together the printing and packaging industry and the education sector to provide enterprises and universities with an in-depth platform for integration of production and education, with an aim to incubate more high-quality printing professionals via modern talent training models.

中国国际全印展2003年创办，在不断实践、探索与创新中已成为最具影响力的行业盛会，也成为富士胶片商业创新（中国）向业界展示品牌实力和创新技术的重要平台。二十年来，富士胶片商业创新（中国）在数字印刷发展进程中创造了一个个里程碑。未来，我们将继续帮助企业解决经营问题、拓展新商机，推动中国印刷产业的可持续发展。

In the past two decades, All in Print has become an important stage for Fujifilm Commercial Innovation (China) to showcase its brand strength and innovative technologies to the industry. It is also an important platform for Fujifilm Commercial Innovation (China) to gain insights on the cutting-edge trends of the industry and strengthen the connection with other printing enterprises. In the past two decades, Fujifilm Commercial Innovation (China) has also created milestones in its development of digital printing business, and has witnessed great achievements of All in Print China. In the future, Fujifilm Commercial Innovation (China) will continue to help enterprises solve business issues, expand new business opportunities, and promote the sustainable development of the printing industry in China while accelerating digital transformation.

中国国际全印展在印刷行业影响力很大，在2020年全印展，我们看到了业内大部分知名品牌、遇到了大批来自不同领域的高质量客户。我们相信第九届全印展将是一个很好的平台去结识客户、学习新技术、分享好想法。期待与你在2022全印展相见！

All in Print China is a very influential exhibition in the printing industry. During the 8<sup>th</sup> All in Print China in 2020, we saw all major brands there. The exhibition was very professional, and we met a large number of high-quality clients from different segments, many of them showed interest to our products. On October 11-15, All in Print China 2022 will be held again in Shanghai. We believe it will be a great platform for you to meet customers, learn new technologies and share good ideas. See you at All in Print China 2022!
